

**1.1.3 Amendments to Toronto Stock Exchange
Share Certificate Requirements**

**AMENDMENTS TO TORONTO STOCK EXCHANGE
SHARE CERTIFICATE REQUIREMENTS**

Toronto Stock Exchange (TSX) has filed with the Commission amendments to share certificate requirements to allow issuers to use generic share certificates as an alternative to customized share certificates. The amendments have been filed as “non-public interest” amendments pursuant to the *Protocol for Commission Oversight of Toronto Stock Exchange Rule Proposals* and are deemed to have been approved upon filing. The TSX Notice to Participating Organizations and the amendments are being published in Chapter 13 of this Bulletin.
