**Notice regarding a business location that is a residence**

For the administration of securities legislation or derivatives legislation, including commodity futures legislation, or both, the regulator or, in Québec, the securities regulatory authority may require access to the business location to review the books, records and documents of the registered firm. If applicable, the SRO may also require access to the business location for the administration of the rules of the SRO.

If the business location specified in this form is a residence, the regulator, securities regulatory authority or SRO may request consent to enter the residence.

If consent is not provided, it may affect the ability of the regulator, securities regulatory authority or SRO to access the books, records or documents of a registered firm and to determine whether securities legislation, derivatives legislation (including commodity futures legislation) or the rules of the SRO are being complied with. As a result, the regulator, securities regulatory authority or SRO may take action if it is unable to access and review the books, records or documents of a registered firm held at the business location.
