

CYBERPLEX INC. FILES UPDATED CERTIFICATION OF ANNUAL FILINGS

TORONTO, ON. (June 18, 2010) – Cyberplex Inc. (TSX: CX) (“**Cyberplex**”) announces that it has filed today updated certificates of the Chief Executive Officer and Chief Financial Officer for the year ended December 31, 2009 (the “**Certificates**”) to clarify that there were no material weaknesses in internal controls over financial reporting as at December 31, 2009 year end. The filing of the Certificates has no impact on the previously filed audited financial statements and Management Discussion and Analysis for the year ended December 31, 2009.

Although the original certificates were filed on time, the filing was necessary to clarify that certain prior weaknesses in internal controls over financial reporting had been remedied as at December 31, 2009 year end.
