Public Storage Canadian Properties Announces Re-Filing of Certificates

TORONTO, Ontario – Public Storage Canadian Properties (the “Partnership”) (TSX: PUB) announced today that, at the request of the Ontario Securities Commission, it has re-filed its CEO and CFO certificates (the “Certificates”) in respect of its interim periods ended March 31, 2010 and June 30, 2010. The Certificates replace and supersede the original certificates which were filed on SEDAR on May 11, 2010 and August 6, 2010, respectively.

The re-filing of the Certificates was necessary due to the use of outdated forms in the previously filed certificates. The Company today re-filed new certificates on SEDAR using the current forms in accordance with National Instrument 52-109 – *Certification of Disclosure in Issuers’ Annual and Interim Filings*. There are no changes to the Company’s financial statements or related management’s discussion and analysis with respect to the interim periods ended March 31, 2010 and June 30, 2010.
