

CENTRIC HEALTH FILES MATERIAL CHANGE REPORT

TORONTO, Nov. 25 /CNW/ - Centric Health Corporation ("Centric Health" or "the Company") (TSX: CHH), Canada's leading diversified healthcare company, today announced the filing of a Material Change Report with the Ontario Securities Commission (OSC).

The report includes information from six of the Company's 2010 press releases dated February 16, June 2, June 25, September 14, September 25 and September 29, which provided information to investors related to changes to the Board and Senior Management, as well as acquisitions made by Centric Health. The Material Change Report does not contain any new information that had not already been disclosed in these press releases.

A copy of the Material Change Report is available on www.sedar.com and has been posted on the Company's website at www.centrichealth.ca.

About Centric Health

Centric Health's vision is to be Canada's premier healthcare company, providing innovative solutions centered on patients and healthcare professionals. As a diversified healthcare company with investments in several niche service areas, Centric Health currently has operations in medical assessments, disability and rehabilitation management, physiotherapy and hospital services and wellness and prevention. With knowledge and experience of healthcare delivery in international markets and extensive and trusted relationships with payers, physicians, and government agencies, Centric Health is pursuing expansion opportunities into other healthcare sectors to create value for all stakeholders with an unwavering commitment to the highest quality of care. Centric Health is listed on the TSX under the symbol CHH. For further information, please visit www.centrichealth.ca. Centric Health's strategic advisor is Global Healthcare Investments & Solutions, Inc. (www.ghis.us).

This press release contains statements that may constitute "forward-looking statements" within the meaning of applicable Canadian securities legislation. These forward-looking statements include, among others, statements regarding business strategy, plans and other expectations, beliefs, goals, objectives, information and statements about possible future events. Readers are cautioned not to place undue reliance on such forward-looking statements. Forward-looking statements are based on current expectations, estimates and assumptions that involve a number of risks, which could cause actual results to vary and in some instances to differ materially from those anticipated by Centric Health and described in the forward-looking statements contained in this press release. No assurance can be given that any of the events anticipated by the forward-looking statements will transpire or occur or, if any of them do so, what benefits Centric Health will derive there from.
