NEWS RELEASE

LUNDIN MINING FILES AMENDED FIRST QUARTER 2011 FINANCIAL STATEMENTS

Toronto, June 16, 2011 (TSX: LUN; NASDAQ OMX: LUMI) Lundin Mining Corporation (“Lundin Mining” or the “Company”) announced that it has filed amended consolidated financial statements for the period ended March 31, 2011 with a revised Statement of Changes in Shareholders’ Equity.

As initially filed, the Statement of Changes in Shareholders’ Equity did not separately present the comparative quarter ended March 31, 2010 in the statement for 2010. The revised statements now include this comparative period continuity. This change provides enhanced disclosure of the comparative period and does not change previously reported earnings.

The revised consolidated financial statements replace and supersede the consolidated financial statements previously filed on SEDAR on May 11, 2011.

About Lundin Mining

Lundin Mining Corporation is a diversified base metals mining company with operations in Portugal, Sweden, Spain and Ireland, producing copper, zinc, lead and nickel. In addition, Lundin Mining holds a development project pipeline which includes an expansion project at its Neves-Corvo mine along with its equity stake in the world class Tenke Fungurume copper/cobalt mine in the Democratic Republic of Congo.

On Behalf of the Board,

Phil Wright
President and CEO
