Treasury Metals Files Revised Unaudited Interim Financial Statements To Include Additional IFRS Disclosure

Toronto, Canada – Treasury Metals Inc. (“Treasury Metals” or the “Company”) today announced that it has filed revised unaudited interim financial statements for the three months ended March 31, 2011 to include additional disclosure in Note 17 relating to an International Financial Reporting Standards (“IFRS”) to Canadian GAAP reconciliation of total comprehensive income and in the Interim Statements of Changes in Shareholders’ Equity to detail the changes in equity for the three-month period ended March 31, 2010, as required under paragraph 20(c) of International Accounting Standard 34 “Interim Financial Reporting.”

All other information contained in the originally filed unaudited interim financial statements remains unchanged. The additional disclosure does not impact the interim balance sheets, interim statement of operations, interim statement of other comprehensive income, nor the interim statement of cash flows as previously filed.
