CENIT REFILES AUGUST 2011 INTERIM FINANCIAL STATEMENTS

Cenit Corporation (the "**Company**") has received a request from the Ontario Securities Commission to revise and refile its unaudited interim financial statements for the three month period ended August 31, 2011 (the "**Interim Financial Statements**") to include additional disclosure.

The Interim Financial Statements have been revised to include a statement of changes in equity for the three month period ended August 31, 2010, as required under subsection 4.3(2)(b) of National Instrument 51-102 and under paragraph 20(c) of International Accounting Standard 34 *Interim Financial Reporting*. There are no changes to the related Management Discussion and Analysis for the three month period ended August 31, 2011.

These changes will not impact the cash flow or cash position of the Company.

The refiled Interim Financial Statements which include the above-noted revisions have been filed with Canadian securities regulators on SEDAR and may be viewed on the Company's profile at www.sedar.com.

Cenit Corporation

Cenit Corporation is a Canadian-based exploration company focused on base metal exploration. The Company's primary objective is to explore highly prospective base metal projects, particularly copper, in order to meet the increasing global demand. The Company has two key exploration projects; the Coppercorp Project and the Rivière Doré Project in Quebec.
