

NOTICE OF HOUSEKEEPING AMENDMENTS TO CIPF COVERAGE POLICIES AND BY-LAW July 27, 2023

Background

As of January 1, 2023, the former Canadian Investor Protection Fund (Former CIPF) and the MFDA Investor Protection Corporation (MFDA IPC) were amalgamated to form a new investor protection fund: the Canadian Investor Protection Fund (CIPF)/Fonds canadien de protection des investisseurs (FCPI).

Concurrent with the launch of CIPF, the Coverage Policy, Claims Procedures, Guidelines for CIPF Appeal Committees Hearings, and Disclosure Policy (collectively, the CIPF Coverage Policies) and CIPF By-law Number 1 (By-law) came into effect on January 1, 2023.

CIPF is publishing notice of housekeeping amendments to the CIPF Coverage Policies and By-law.

Housekeeping Amendments

Following the amalgamation of the Former CIPF and MFDA IPC, CIPF staff became aware of a non-material typo in the Coverage Policy. As a result, staff conducted a proofreading review of other key CIPF documents and determined that housekeeping amendments were also needed to address editorial and non-material typos (e.g., spacing, capitalization, consistency in terminology) in the remaining Coverage Policies and the By-law. In addition, in April 2023, the New Self-Regulatory Organization of Canada (New SRO) announced that its new name would be the Canadian Investment Regulatory Organization (CIRO) in English, and Organisme canadien de réglementation des investissements (OCRI) in French, effective June 1, 2023. Accordingly, this change has been included in the proposed housekeeping amendments to the Coverage Policies and By-law.

The housekeeping amendments to the CIPF Coverage Policies have been reviewed by the CIPF Board and approved by the President & CEO under the authority granted by the CIPF Board. The housekeeping amendments to the By-law were approved by the CIPF Board.

Clean and blackline versions of the amended CIPF Coverage Policies and By-law are attached to this notice as follows:

- Attachment I – CIPF By-law Number 1, amended July 27, 2023
- Attachment J – Blackline of CIPF By-law Number 1, amended July 27, 2023

Classification as Housekeeping Amendments

The housekeeping amendments to the CIPF Coverage Policies and By-law are editorial in nature and have no material impact on investors, issuers, registrants, other market participants, CIRO, CIPF, or the capital markets generally.

The housekeeping amendments to the CIPF Coverage Policies and By-law were filed with CSA members in accordance with the orders issued by the members of the Canadian Securities Administrators (CSA) approving CIPF as a compensation fund, effective January 1, 2023 (Approval Orders). CIPF confirms that the amendments are in compliance with the terms and conditions of the Approval Orders. CSA members have provided their non-objection to the classification of the amendments as housekeeping amendments under the Memorandum of Understanding regarding the Oversight of CIPF, effective January 1, 2023.

Effective Date

The housekeeping amendments to the CIPF Coverage Policies and By-law come into effect as of July 27, 2023.

A. OVERVIEW

1. CIPF provides coverage to customers of members of the Canadian Investment Regulatory Organization, as it is currently named or as it may be renamed from time to time (“**CIRO**”) accepted for membership in CIPF (“**CIRO Members**”) for financial losses in respect of property held in customers’ account caused solely by the insolvency of a CIRO Member. CIPF’s objective is to either return assets to customers or, where assets are not available from the insolvent CIRO Member, provide compensation for their value as at the date of the insolvency. This Policy describes who is eligible as a customer, the kind of losses and property covered, the limits of coverage and how claims are determined and made.
2. CIPF has discretion in determining the customers eligible for protection and the financial loss covered by CIPF in the event of an insolvency of a CIRO Member. This Policy has been adopted to describe the way in which such discretion is intended to be exercised. CIPF reserves the right in the appropriate circumstances to authorize or withhold any payments in a manner other than as described in this Policy.

B. FUNDING FOR COVERAGE

1. CIPF maintains two segregated funds designed to provide coverage to eligible customers of CIRO Members (each a “**Fund**”). The Fund designated as the “**Investment Dealer Fund**” is available to satisfy potential claims for coverage under this Policy by customers of CIRO Members duly registered under Canadian securities legislation in the category of “investment dealer” or in the categories of both “investment dealer” and “mutual fund dealer” (“**Investment Dealers**”). The Fund designated as the “**Mutual Fund Dealer Fund**” is available to satisfy potential claims for coverage under this Policy by customers of CIRO Members duly registered under Canadian securities legislation only in the category of “mutual fund dealer” (“**Mutual Fund Dealers**”).
2. CIPF maintains on its website at www.cipf.ca a list of CIRO Members whose customers are entitled to protection subject to the terms of this Policy, identifying whether each CIRO Member is an Investment Dealer or a Mutual Fund Dealer.
3. CIPF will, in its discretion, assess Investment Dealers for contributions to the Investment Dealer Fund and arrange for discrete sources of liquidity for the Investment Dealer Fund (including lines of credit or insurance policies). Likewise, CIPF will, in its discretion, assess Mutual Fund Dealers for contributions to the Mutual Fund Dealer Fund and arrange for discrete sources of liquidity for the Mutual Fund Dealer Fund (including lines of credit or insurance policies).
4. *Only the Investment Dealer Fund is available to satisfy claims for coverage under this Policy by eligible customers of Investment Dealers, and in no event will claims made by customers of an insolvent Mutual Fund Dealer be satisfied from the Investment Dealer Fund. Similarly, only the Mutual Fund Dealer Fund is available to satisfy claims for coverage*

under this Policy by eligible customers of Mutual Fund Dealers, and in no event will claims made by customers of an insolvent Investment Dealer be satisfied from the Mutual Fund Dealer Fund.

C. CUSTOMERS AND ACCOUNTS

Eligible Customers and Eligible Accounts

1. A customer eligible for coverage under this Policy (“**Customer**”) is an individual, corporation, partnership, unincorporated syndicate, unincorporated organization, trust, trustee, executor, administrator or other legal representative who has an account with an insolvent CIRO Member used for transacting securities or commodity and futures contracts business with the CIRO Member (dealing as principal or agent) (an “**Account**”). An Account must be fully disclosed in the records of the CIRO Member and is normally evidenced by receipts, contracts and statements that have been issued by the CIRO Member.
2. Customers introduced to a CIRO Member by a foreign affiliate of the CIRO Member, in accordance with the requirements of CIRO, are considered Customers of the CIRO Member eligible for coverage. Accounts with entities other than a CIRO Member (but including, for greater certainty, a CIRO Member’s affiliates or related organizations) are not Accounts for the purposes of this Policy.

Persons Excluded as Customers

3. A Customer does not include:
 - i) a domestic or foreign securities or mutual fund dealer registered with a Canadian securities regulatory authority or foreign equivalent;
 - ii) any individual or corporation to the extent that such person has a claim for cash or securities which by contract, agreement, or understanding, or by operation of law, is part of the capital of the insolvent CIRO Member such that the claim represents five percent or more of any class of equity securities of the insolvent CIRO Member, or any individual who has a claim which is subordinated to the claims of any or all creditors of the insolvent CIRO Member;
 - iii) a general partner or director of the insolvent CIRO Member;
 - iv) a limited partner with a participation of five percent or more in the net assets or net profits of the insolvent CIRO Member;
 - v) a person with the power to exercise a controlling influence over the management or policies of the insolvent CIRO Member;
 - vi) a clearing corporation;
 - vii) a customer of an institution, securities dealer or other party dealing with a CIRO Member on an omnibus basis (being an account in which the transactions of two or

more persons are combined without disclosure to the CIRO Member of the identity of such persons);

- viii) a person who caused or materially contributed to the insolvency of a CIRO Member, including, but not limited to, a person who has been declared by a court of competent jurisdiction to be a deferred customer pursuant to the provisions of the *Bankruptcy and Insolvency Act* (Canada); and
- ix) a person who does not deal at arm's length (as determined by CIPF) with either an insolvent CIRO Member or a person who is excluded as a Customer.

Québec

- 4. While CIRO is recognized as a self-regulatory organization of which Mutual Fund Dealers operating in the Province of Québec are required to be members, those Mutual Fund Dealers are not required to contribute to the Mutual Fund Dealer Fund in respect of Customer Accounts located in Québec. Accordingly, these Customer Accounts will not be eligible for coverage by CIPF. Generally, a Customer Account is considered to be located in Québec for these purposes if the office serving the Customer is located in Québec.

D. LOSSES

- 1. Losses eligible for coverage by CIPF ("**Losses**") must be financial losses of a Customer caused solely by the insolvency of a CIRO Member. These losses must arise from the failure of the insolvent CIRO Member to return or account for Property (as defined below) of the Customer previously received, acquired or held by, or in the control of, the CIRO Member, including any such Property unlawfully converted.
- 2. Losses which do not result from the insolvency of a CIRO Member, such as losses from changing market values of securities, unsuitable investments or the default of an issuer of securities are not covered. Losses in a Customer's Account arising from business financing activities of the CIRO Member are also not covered.

E. PROPERTY COVERED

Types of Property

- 1. The property of a Customer for which CIPF coverage may be available in accordance with the provisions of this Policy includes securities, commodity and futures contracts, cash, cash equivalents and segregated funds received, acquired or held by, or in the control of, the CIRO Member ("**Property**").

Eligible Property

- 2. CIPF coverage may be available in respect of Property that is or should have been held by, or in the control of, an insolvent CIRO Member for the account of a Customer at the date of insolvency and which the insolvent CIRO Member is obliged to return to the Customer. This

kind of Property is commonly referred to as being in the “nominee name” of the CIRO Member (as opposed to “client name” as described below).

Ineligible Property

Customer (or Client) Name

3. Property that is not held by the CIRO Member, or not recorded in a Customer's Account as being held by a CIRO Member, such as securities that are registered directly in the name of the Customer with the issuer or deposits with financial institutions, is not eligible for CIPF coverage even though it was sold through the CIRO Member to the Customer. This kind of Property is commonly referred to as being in “client name” (as opposed to the “nominee name” of the CIRO Member), may appear on Customer account statements and is not eligible for coverage unless it is otherwise in the custody or control of the CIRO Member. Such custody or control may arise where a CIRO Member or its representatives have ostensible control over assets of a customer holding client name Property by virtue of a power of attorney, trading authorization or temporary receipt of cash intended to be received by an issuer.

Crypto Assets

4. Property received, acquired or held by, or in the control of, a CIRO Member that consists of crypto assets, crypto contracts, or other crypto-related property is not eligible for CIPF coverage. For greater certainty, Property consisting of securities of a mutual fund or exchange-traded fund that invests in or holds crypto assets, crypto contracts or other crypto-related property is, however, eligible for CIPF Coverage.

Non-Compliant Property

5. Property received, acquired or held by, or in the control of, a CIRO Member in relation to which the CIRO Member is not permitted to trade under Canadian securities legislation is not eligible for CIPF Coverage.

General Accounts

2. Each Account of a Customer shall be considered a General Account unless held in a capacity or circumstance set out below under “Separate Accounts” such that it qualifies as a Separate Account. All General Accounts of a Customer, or any interest the Customer may have in a General Account, shall be combined or aggregated so as to constitute a single General

Account of such Customer for the purposes of determining the payments to be made to the Customer. The interest of a Customer in an Account which is held on a joint or shared ownership basis shall be treated as if it were a General Account and similarly combined with the other General Accounts of the Customer. An Account held by a nominee or agent for another person as a principal or beneficial owner shall, except as otherwise provided in this Policy, be deemed to be the Account of the principal or beneficial owner. All Accounts of a Customer opened with a CIRO Member by one or more domestic advisers registered with a Canadian securities regulatory authority, where those accounts are fully disclosed in the records of the CIRO Member, shall also be combined or aggregated to constitute a single General Account and combined with other General Accounts of the Customer, unless any such Accounts are otherwise Separate Accounts under this Policy. For the purposes of determining the maximum coverage available, the General and Separate Accounts that a Customer has with a CIRO Member will not be combined with the General and Separate Accounts that the same Customer may have with another CIRO Member, including another CIRO Member who has an introducing / carrying agreement with the first CIRO Member.

Separate Accounts

3. Each Account of a Customer held by it in the capacity or circumstance set out below shall be considered a Separate Account of the Customer. Unless otherwise indicated below, each Separate Account held by a Customer in the same capacity or circumstance shall be combined or aggregated so as to constitute a single Separate Account. The burden shall be on the Customer to establish each capacity or circumstance in which the Customer claims to hold Separate Accounts. An Account of a Customer shall not be a Separate Account if it existed on the date of insolvency primarily for the purpose of increasing protection by CIPF.
 - i) **Registered Retirement Plans:** *accounts of registered retirement or deferred income plans such as registered retirement savings plans (RRSPs), registered retirement income funds (RRIFs), life income funds (LIFs), locked-in retirement accounts or plans (LIRAs or LIRSPs) and locked-in retirement income funds (LRIFs) established for the account of a customer (excluding spousal plans) which comply with the requirements under the Income Tax Act (Canada) for such plans and which have been accepted by the Minister under such Act, where the customer is entitled to the benefits of the plan. Accounts established with respect to a customer through the same or different trustees shall be combined and aggregated.*
 - ii) **Registered Education Savings Plans:** *accounts of education savings plans which comply with the requirements under the Income Tax Act (Canada) for registered education savings plans and which have been accepted by the Minister under such Act, where the customer is the subscriber of the plan. Accounts established with respect to a customer through the same trustee shall be combined and aggregated by trustee, but not if established through different trustees.*
 - iii) **Testamentary Trusts:** *accounts held in the name of a decedent, his or her estate or the executor or administrator of the estate of the decedent. Accounts of testamentary*

- trusts held by the same executor or administrator shall not be combined or aggregated unless held in respect of the same decedent.*

 - v) **Guardians, Custodians, Conservators, Committees, etc.:** *accounts maintained by a person as a guardian, custodian, conservator, committee or similar capacity in respect of which accounts such person has no beneficial interest. Such accounts held by the same person in any such capacity shall not be combined or aggregated unless held in respect of the same beneficial owner.*

 - vii) **Partnerships:** *accounts of partnerships controlled by a customer provided that the beneficial ownership of a majority of the equity interests in the partnership is held by persons other than the customer.*
 - viii) **Unincorporated Associations or Organizations:** *accounts of unincorporated associations or organizations controlled by a customer provided that the beneficial ownership in a majority of the assets of the association or organization is held by persons other than the customer.*

Timing of Payments

4. The time of payment of the maximum amount of coverage available for Claims (as defined below) may be affected by the amount of assets immediately available in the relevant Fund at the relevant time. While CIPF has the legal ability to assess CIRO Members for additional contributions, CIPF may not have on hand in the relevant Fund at any time sufficient assets to make immediate payment of the maximum amount of coverage available for Claims, such that payment may be delayed until such time as the assets of the relevant Fund are sufficient to fund the payments of coverage to which Customers are entitled in accordance with this Policy.

G. CLAIMS

Claims and Determination of Customer Losses

1. The claim of a Loss of a Customer in respect of which CIPF may authorize payment (a “Claim”) shall be determined as at the applicable date of insolvency (as fixed by CIPF in its discretion) after taking into account the delivery of any Property to which the Customer is entitled and the distribution of any assets of the insolvent CIRO Member. Accordingly, the maximum payment which CIPF may make to a Customer shall be calculated as the balance of the Customer's financial Loss as a result of the insolvency of the CIRO Member net of such deliveries. The amount of a Customer's Claim may be reduced, at CIPF's discretion, to

the extent that the Customer is entitled to deposit insurance or other compensation from any source in respect of any Property to which the Loss relates. To be eligible for coverage, the Claim must be filed with CIPF or the trustee in bankruptcy, the receiver or similar official of the insolvent CIRO Member within 180 days of the date of insolvency.

Date of Loss

2. The date at which the financial Loss of a Customer is determined shall be fixed by CIPF as the date of insolvency of the CIRO Member, which may be the date of the CIRO Member's bankruptcy, or the date on which, in the opinion of CIPF, the CIRO Member became insolvent. The amount of Property delivered to a Customer in satisfaction of a Claim shall be the amount of Property to which the Customer was entitled as at such date for determining financial loss without regard to subsequent market fluctuations. In *lieu* of satisfying a Claim by the delivery of Property, cash in an amount equal to the value of the Property as at the date for determining financial Loss may be paid to the Customer even though the amount of such cash is not equal to the value of such Property as at the date of payment. Open positions in a Customer's Account may, with or without notice, be closed out or liquidated pursuant to the terms of the account with the CIRO Member or correspondent broker, clearing house or exchange requirements or applicable insolvency legislation or orders.

Insolvency Legislation

3. The determination of the amount of financial Loss suffered by a Customer of an insolvent CIRO Member for the purposes of payment by CIPF and the maximum limits of such payments shall be in accordance with this Policy. In addition, CIPF may exercise its discretion, in respect of determining Customers eligible for protection and the amount of financial Loss suffered, in a manner that is consistent with the right and extent to which a person may be entitled to claim against the customer pool fund of a CIRO Member under the *Bankruptcy and Insolvency Act* (Canada), subject to other restrictions in this Policy and the sole discretion of CIPF to determine protection by CIPF. CIPF may rely on the trustee in bankruptcy, the receiver or similar official under applicable law in determining the amount and validity of claims of a Customer and for the purpose of calculating financial Loss.

Determination by CIPF Conclusive

4. In the case of any question or dispute as to the interpretation or application of this Policy, including, without limitation, eligibility of the Customer, the amount of the financial Loss incurred by a Customer for the purposes of payment by CIPF of a Claim, the timing of payment and the maximum amounts to be paid to a Customer, the interpretation of CIPF of this Policy shall be final and conclusive. An appeal from a decision of CIPF may be available in accordance with the Claims Procedures.

Timing of Payments

4. The time of payment of the maximum amount of coverage available for Claims (as defined below) may be affected by the amount of assets immediately available in the relevant Fund at the relevant time. While CIPF has the legal ability to assess [CIRONewSRO](#) Members for additional contributions, CIPF may not have on hand in the relevant Fund at any time sufficient assets to make immediate payment of the maximum amount of coverage available for Claims, such that payment may be delayed until such time as the assets of the relevant

Fund are sufficient to fund the payments of coverage to which Customers are entitled in accordance with this Policy.

G. CLAIMS

Claims and Determination of Customer Losses

1. The claim of a Loss of a Customer in respect of which CIPF may authorize payment (a "Claim") shall be determined as at the applicable date of insolvency (as fixed by CIPF in its discretion) after taking into account the delivery of any Property to which the Customer is entitled and the distribution of any assets of the insolvent ~~CIRONew-SRO~~ Member. Accordingly, the maximum payment which CIPF may make to a Customer shall be calculated as the balance of the Customer's financial Loss as a result of the insolvency of the ~~CIRONew-SRO~~ Member net of such deliveries. The amount of a Customer's Claim may be reduced, at CIPF's discretion, to the extent that the Customer is entitled to deposit insurance or other compensation from any source in respect of any Property to which the Loss relates. To be eligible for coverage, the Claim must be filed with CIPF or the trustee in bankruptcy, the receiver or similar official of the insolvent ~~CIRONew-SRO~~ Member within 180 days of the date of insolvency.

Date of Loss

2. The date at which the financial Loss of a Customer is determined shall be fixed by CIPF as the date of insolvency of the ~~CIRONew-SRO~~ Member, which may be the date of the ~~CIRONew-SRO~~ Member's bankruptcy, or the date on which, in the opinion of CIPF, the ~~CIRONew-SRO~~ Member became insolvent. The amount of Property delivered to a Customer in satisfaction of a Claim shall be the amount of Property to which the Customer was entitled as at such date for determining financial loss without regard to subsequent market fluctuations. In *lieu* of satisfying a Claim by the delivery of Property, cash in an amount equal to the value of the Property as at the date for determining financial Loss may be paid to the Customer even though the amount of such cash is not equal to the value of such Property as at the date of payment. Open positions in a Customer's Account may, with or without notice, be closed out or liquidated pursuant to the terms of the account with the ~~CIRONew-SRO~~ Member or correspondent broker, clearing house or exchange requirements or applicable insolvency legislation or orders.

Insolvency Legislation

3. The determination of the amount of financial Loss suffered by a Customer of an insolvent ~~CIRONew-SRO~~ Member for the purposes of payment by CIPF and the maximum limits of such payments shall be in accordance with this Policy. In addition, CIPF may exercise its discretion, in respect of determining Customers eligible for protection and the amount of financial Loss suffered, in a manner that is consistent with the right and extent to which a person may be entitled to claim against the customer pool fund of a ~~CIRONew-SRO~~ Member under the *Bankruptcy and Insolvency Act* (Canada), subject to other restrictions in this

Policy and the sole discretion of CIPF to determine protection by CIPF. CIPF may rely on the trustee in bankruptcy, the receiver or similar official under applicable law in determining the amount and validity of claims of a Customer and for the purpose of calculating financial Loss.

Determination by CIPF Conclusive

4. In the case of any question or dispute as to the interpretation or application of this Policy, including, without limitation, eligibility of the Customer, the amount of the financial Loss incurred by a Customer for the purposes of payment by CIPF of a Claim, the timing of payment and the maximum amounts to be paid to a Customer, the interpretation of CIPF of this Policy shall be final and conclusive. An appeal from a decision of CIPF may be available in accordance with the Claims Procedures.

DATED January 1, 2023 [and amended July 27, 2023](#)

1. *Introduction*

1.1. The Claims Procedures should be read in conjunction with CIPF's "Coverage Policy". The coverage by CIPF of losses suffered by customers of insolvent member of Canadian Investment Regulatory Organization, as it is currently named or as it may be renamed from time to time ("CIRO") accepted for membership in CIPF ("CIRO Members") is at the discretion of CIPF. The Coverage Policy states that CIPF reserves the right to authorize or withhold payments in a manner other than as prescribed in the Coverage Policy. In the case of any question or dispute as to the interpretation or application of the policy (including the eligibility of a customer, the amount of loss incurred by a customer for purposes of payment of a claim and the maximum amounts to be paid to a customer), CIPF's interpretation of the Coverage Policy shall be final and conclusive.

1.2. The orders issued by members of the Canadian Securities Administrators approving CIPF as a compensation fund each require CIPF to develop fair and reasonable procedures for assessing claims and to pay eligible claims pursuant to these procedures. It has also undertaken to establish a fair and reasonable internal claim review process whereby customer claims that are not accepted for coverage by CIPF shall be reconsidered by the Appeal Committee (as described in section 3.2.1.5.2 of these Claims Procedures), if requested by the customer. This document describes the general process for the administration of claims.

2. *CIPF Establishes Date of Insolvency*

2.1. The date at which the financial loss of a customer is determined by CIPF is the date on which CIPF determines, in its discretion, the CIRO Member became insolvent.

2.2. For purposes of CIPF coverage, a CIRO Member will generally be considered to be insolvent on or about the date a trustee is appointed, or if a trustee¹ is not appointed, the date customers cease to have unrestricted access to their accounts, for example, because the CIRO Member has been suspended by CIRO.

3. *Claims Administration*

3.1. Where Trustee Appointed

3.1.1. Where CIPF has information that there are eligible customers of an insolvent CIRO Member that may require CIPF coverage, CIPF may ask the Court to appoint a trustee, and will participate in the trustee's claims process so that all customers are advised how to submit claims to the estate of the insolvent CIRO Member.

3.1.2. Claims to the trustee are considered claims to CIPF to the extent consistent with the CIPF Coverage Policy.

3.1.3. CIPF will work with the trustee to ensure that proved claims of eligible CIRO customers that have demonstrated that they will suffer undue hardship if their claim is not dealt with immediately are dealt with on a priority basis.

3.1.4. When the trustee determines the estate does not have sufficient resources

¹ For the purposes of these Claims Procedures and CIPF coverage for customers of an insolvent CIRO Member, a trustee in bankruptcy, receiver, liquidator or similar insolvency official is generally referred to as a trustee, unless the context provides otherwise.

to satisfy customer claims, CIPF may settle the losses of eligible CIRO customers by providing the trustee with additional resources, up to the limit of CIPF's coverage, and subject to availability of sufficient CIPF resources. The time of payment may be affected by a number of factors, including the amount of assets immediately available in the Fund (as defined in the Coverage Policy) maintained and designated by CIPF for the benefit of customers of the insolvent CIRO Member (the "**Designated Fund**"), such that payment may be delayed until such time as the assets of such Designated Fund are sufficient to make the necessary payment. Certain operational considerations may also delay the time of payment in the case of "customer name" property in the custody or control of the insolvent CIRO Member.²

3.1.5. Payments made to customers may be made by CIPF or by the trustee depending on the individual circumstances of the insolvency.

3.1.6. Where any amount of a customer's claim has been disallowed by the trustee, an eligible CIRO customer can make a request within 60 days of the date of the disallowance to the Appeal Committee (see Appeal Procedures) to review the disallowance. Customers should also be aware of the availability of any court review under applicable legislation or court procedures, which must be filed within prescribed time limits including, in some cases, within 30 days of the notice of disallowance.

3.2. Trustee Not Appointed

3.2.1. Where a trustee has not been appointed, claims can be made directly to CIPF.

3.2.1.1. Identification of Claims Against the Estate

- CIPF will take appropriate steps so that all customers that have a cash balance and/or security position on or around the date of insolvency are advised on how to submit a claim to CIPF. This may be by a notice on the final customer account statement, a letter from CIPF, notices in the media, or any other means deemed appropriate by CIPF given the circumstances of the insolvency. CIPF may also rely on the CIRO Member's primary regulator to notify customers on CIPF's behalf.
- Customers requesting compensation from CIPF must submit a proof of claim to CIPF along with all documents and information to support the claim within 180 days of the date of insolvency.

3.2.1.2. Claim Information

- The information required to make a claim, including a proof of claim form, will be available from the CIPF website or upon request. Customers should refer to the Coverage Policy to determine if their claim is eligible for payment by CIPF before

² Property that is not held by the CIRO Member, or not recorded in a customer's account as being held by a CIRO Member, such as securities that are registered directly in the name of the customer with the issuer or deposits with financial institutions (commonly referred to as "client name" property) is not eligible for CIPF coverage unless it is in the custody or control of the CIRO Member. Where client name property is in the custody or control of the CIRO Member, payment to customers may, by reason of administrative processes, take longer than payments made in respect of property held, or recorded as being held, by a CIRO Member.

submitting a claim.

- CIPF will endeavour to post other relevant information to its website on the CIRO Member's insolvency and the claims process, as it becomes available.
- Documents and information to support a customer's claim should include, but not be limited to, account statements, correspondence and other documentation provided by the CIRO Member to the customer.

3.2.1.3. Priority of Claim Handling

- CIPF will give priority to the proved claims of customers that have demonstrated that they will suffer undue hardship if their claim is not dealt with immediately.
- All other claims will be dealt with in the order in which the information needed to assess the claim is made available.

3.2.1.4. Claims Handling

- CIPF will acknowledge all claims in writing, as received.
- The burden is on a customer of an insolvent CIRO Member to establish eligibility and the amount of a claim, but CIPF will use its reasonable efforts to collect the available information required to assess the eligibility of the claim for CIPF coverage.
- CIPF may require the customer to provide additional information that was not requested in the proof of claim form, or was requested but not supplied. The customer will usually be given 30 days to comply with any such requests. If the customer does not comply within the required time, CIPF may assess the claim based on the information in its possession.
- Prior to deciding on a claim, CIPF may require the customer to confirm the accuracy and completeness of the information it will use to assess the eligibility of the claim. In this situation, CIPF will prepare a summary of the claim and provide it to the customer for confirmation that the information is accurate and complete, and if not, to amend it accordingly.

3.2.1.5. Claims Decisions

3.2.1.5.1 Claims Eligible for Payment

- CIPF will advise the customer in writing of its decision on the claim eligibility for payment including the reasons.
- Where a claim is determined to be eligible for payment, CIPF requires a signed agreement in prescribed form by which the claimant subrogates the claim to CIPF before payment is made by CIPF to the claimant.
- A customer can request changes to the form of subrogation agreement, but any such requests must be approved by CIPF and the customer will be obligated to reimburse CIPF for any additional expenses incurred in relation to the requested change.
- The time of payment of the claim may be affected by a number of factors, including the amount of assets immediately available in the Designated Fund maintained by CIPF for the benefit of customers of the insolvent CIRO Member, such that payment

may be delayed until such time as the assets of such Designated Fund are sufficient to make the payment of the claim. Certain operational considerations may also delay the time of payment in the case of “client name” property in the custody or control of the insolvent CIRO Member. However, CIPF will endeavour to pay claims that are determined to be eligible for coverage within 30 days after the subrogation is received from the customer.

3.2.1.5.2 Claims Not Eligible for Payment

- CIPF will advise the customer in writing of its decision on the claim eligibility for payment including the reasons.
- If CIPF determines that the claim is not eligible for coverage, it will advise the customer that CIPF’s decision is eligible for reconsideration by the Appeal Committee. The Appeal Committee will be established by the Board of Directors, and will be comprised of one or more adjudicators that may or may not be CIPF Directors.
- Appeal requests must be made in writing within 60 days of the date the decision letter is sent and must specify the format of appeal hearing requested, namely, an appeal conducted by written submissions, an appeal conducted by teleconference hearing or an appeal conducted by an in-person hearing.

3.3. Discretion of CIPF. Notwithstanding the provisions of these Claims Procedures and their application, whether or not a trustee has been appointed, CIPF reserves the right in its sole discretion to administer claims in any other manner consistent with its Coverage Policy from time to time.

4. *Appeal Procedures*

4.1. Appeal Handling

4.1.1. CIPF will acknowledge all appeals, and the format of appeal elected, in writing as received.

4.1.2. CIPF will endeavour to conduct all appeals within six months of receiving the customer’s appeal request and submissions, or as soon as reasonably possible thereafter given the number of appeal requests received at any particular time. The customer will be notified, in writing, of the date and, where relevant, the time and place the appeal is to be conducted. The Appeal Committee may impose specific time limits for a hearing and submissions, if any, as appropriate in the circumstances. If a customer has not specified an appeal format within 30 days of the date of their appeal request, the customer will be deemed to have elected an appeal by written submissions.

4.1.3. Regardless of the appeal format elected by the customer, the Appeal Committee may, in its discretion:

- request the customer and CIPF staff to appear before the Appeal Committee either in person or by teleconference; or
- direct that any part of an appeal will be in writing.

4.1.4. The customer and CIPF staff may have legal counsel or other advisers present at any in-person or teleconference hearing, but the presence of legal counsel or other advisors is optional.

4.1.5. Written submissions on appeal will include all information used by CIPF to make its

eligibility determination, any other information the customer requests be considered by the Appeal Committee and a summary of any other evidence including oral evidence to be provided by either CIPF staff or the customer. CIPF staff will provide the customer with the information it has in its possession regarding the claim.

4.1.6 The customer, or its legal counsel or other advisors, may take notes or transcripts of the meeting at their own expense.

4.1.7 Any costs incurred by the customer relating to an appeal will be for the account of the customer, not CIPF.

4.2 Appeal Deliberations

4.2.1 The Appeal Committee will conduct its deliberations and make its determination in the absence of CIPF staff, the customer, and the customer's legal counsel or other advisors.

4.2.2 If the Appeal Committee is comprised of two or more members, the decision of the Appeal Committee will be decided by simple majority but, in the case of an evenly split decision amongst members, the decision of the Chair of the Appeal Committee, as appointed by the Board of Directors, shall prevail.

4.2.3 Once a decision has been made, the customer and CIPF staff will be advised in writing of the Appeal Committee's decision and provided with its written reasons.

4.2.4 If the claim is eligible for coverage, prior to payment, the customer must provide CIPF with a signed agreement in prescribed form by which the claimant subrogates the claim to CIPF before payment is made by CIPF to the claimant.

4.2.5 A customer can request changes to the form of subrogation agreement, but any such requests must be approved by CIPF and the customer will be obligated to reimburse CIPF for any additional expenses incurred in relation to the requested change.

4.3 Payment Timing

4.3.1 The time of payment may be affected by a number of factors including the amount of assets immediately available in the Designated Fund maintained by CIPF for the benefit of customers of the insolvent CIRO Member, such that payment may be delayed until such time as the assets of such Designated Fund are sufficient to make the payment of the claim. Certain operational considerations may also delay the time of payment in the case of "customer name" property in the custody or control of the insolvent CIRO Member. However, CIPF will endeavour to pay claims that are determined to be eligible for coverage after an appeal within 30 days after the required subrogation is received from the customer.

Claims Procedures

Dated January 1, 2023

1. Introduction

A. GENERAL

1. This document sets out non-binding guidelines for Appeal Committees hearing in-person appeals, appeals by teleconference and appeals in writing (the “**Guidelines**”).
2. These Guidelines are applicable to in-person appeal hearings, appeal hearings by teleconference and appeal hearings in writing, unless a specific type of hearing is referred to in the particular guideline.
3. Where there is any inconsistency between the Guidelines and the relevant Claims Procedures (the “**Claims Procedures**”), the Claims Procedures prevail.
4. Nothing in these Guidelines restricts an Appeal Committee from:
 - a) conducting an appeal in a manner other than the manner described in the Guidelines, if such a change is necessary to ensure a fair procedure for the appeal; and
 - b) deciding an appeal in the manner that they believe is just and appropriate in the circumstances and in accordance with the CIPF Coverage Policy.

B. CUSTOMER’S ELECTION OF HEARING TYPE

5. The customer may request to have their appeal heard in-person, by teleconference (with or without video) or in writing.
6. An Appeal Committee may decline to hold a hearing by teleconference or in writing if satisfied that an in-person hearing would be preferable to promote a fair and efficient adjudication of the claim.

C. COMPOSITION OF APPEAL COMMITTEES

7. The CIPF Board of Directors has identified qualified individuals to adjudicate appeals as members of Appeal Committees. These qualified individuals include members of the Board of Directors of CIPF as well as individuals external to CIPF.
8. Each member of an Appeal Committee (a “**Committee Member**”) will be:
 - a) either:
 - i) a Director of CIPF who was not involved in the initial claim decision; or
 - ii) an adjudicator appointed by the CIPF Board of Directors for the purpose of adjudicating appeal hearings; and

14. The role of independent legal counsel is to advise an Appeal Committee in relation to both the conduct of the appeal hearing and decision-making in a well-reasoned manner that is fair, efficient and consistent with the CIPF Coverage Policy and accords with the law.
15. Independent legal counsel will act independently of the customer and CIPF staff (the “**participants**”) and will not provide legal advice for or otherwise represent the participants.
16. An Appeal Committee may seek legal advice from independent legal counsel with respect to general issues arising from an appeal, including:

F. PREPARATIONS FOR APPEAL HEARINGS

19. An administrative coordinator, under the supervision of the Chair of the Coverage Committee of the CIPF Board of Directors, will schedule appeals in advance (having regard to the schedules and availability of participants), but in no event will the scheduling of an appeal be delayed unreasonably by a participant by reason of participant availability or scheduling. Where the scheduling of an appeal is not possible in a timely manner having regard to the schedules and availability of participants, the administrative coordinator may, in their discretion, elect to modify the hearing type or select the hearing date and time, provided that the administrative coordinator determines that such modification is reasonable for the parties involved. The administrative coordinator shall advise Committee Members and the participants of the date, and where relevant, the time and place that the appeal is to be conducted.
20. The customer will provide to CIPF any contact information or other information necessary for the hearing by teleconference.
21. The customer and any representative participating in the appeal will make themselves available at the scheduled time of the appeal.
22. For an appeal in writing, a written submissions schedule, which includes the date upon which each participant’s submissions (including any relevant evidence) are due and the address for delivery of the submissions (the “**Written Submissions Schedule**”) will be provided once the date of the appeal has been set.

Notwithstanding the foregoing, Public Directors may be elected for a term of less than 2 years in order to accommodate staggered terms of office among all Public Directors. A Public Director holding office who ceases to qualify as a Public Director after the date of their election or appointment shall no longer be eligible to serve as a Public Director effective on the date they ceased to qualify as a Public Director.

4.2.3 **Transition.** The terms of office of Directors who were directors of a Predecessor Corporation at the time of the Amalgamation shall continue according to the length of such terms in accordance with their election or appointment and, on the expiration of the term of office of any such Director, they shall be eligible for re-election or re-appointment for a further 2-year term or terms to a maximum of 4 terms; provided that in no event shall any such Director (other than the Chair or Vice-Chair in accordance with Section 4.3) be eligible to serve in aggregate for more than 8 years (including for greater certainty, any years served prior to the Amalgamation (other than any partial years served) by Directors who were directors of a Predecessor Corporation at the time of the Amalgamation).

4.3 Chair, Vice-Chair and Lead Public Director

4.3.1 **Chair.** The Chair shall be appointed by the Board from time to time (with the initial Chair being that individual identified in the agreement setting out the terms of the Amalgamation). The person appointed as Chair shall be a person who qualifies as either an Industry Director or a Public Director. The term of office of the Chair shall be as determined by the Board provided that the Chair shall not serve for longer than 2 consecutive 2-year terms (calculated without reference to any terms served as a Director or Vice-Chair); provided that in no event shall the Chair be eligible to serve in aggregate as a Director, the Chair or Vice-Chair for more than 10 years (including, for greater certainty, any years served prior to the Amalgamation (other than any partial years served) by Directors who were directors of a Predecessor Corporation at the time of the Amalgamation). Where the

Chair ceases to be a Director for any reason, the Chair's term of office as Chair shall terminate concurrently with the end of their term as Director.

- 4.3.2 **Vice-Chair.** The Board may also appoint from time to time a Vice-Chair (with the initial Vice-Chair being that individual identified in the agreement setting out the terms of the Amalgamation). The person appointed as Vice-Chair shall be a person who qualifies as either an Industry Director or Public Director. The term of office of the Vice-Chair shall be as determined by the Board provided that the Vice-Chair shall not serve for longer than 2 consecutive 2-year terms (calculated without reference to any terms served as a Director or Chair); provided that in no event shall the Vice-Chair be eligible to serve in aggregate as a Director or the Vice-Chair for more than 10 years (including, for greater certainty, any years served prior to the Amalgamation (other than any partial years served) by Directors who were directors of a Predecessor Corporation at the time of the Amalgamation). Where the Vice-Chair ceases to be a Director for any reason, the Vice-Chair's term of office as Vice-Chair shall terminate concurrently with the end of their term as Director.
- 4.3.3 **Lead Public Director.** The Public Directors shall appoint from time to time a Lead Public Director. The person appointed as Lead Public Director shall be a person who qualifies as a Public Director, and may be the Chair or Vice-Chair. The term of office of the Lead Public Director shall be the term of the Public Director pursuant to Section 4.2. The Lead Public Director's responsibilities shall be determined from time to time by the Board.
- 4.4 **Chief Executive Officer.** The Board shall appoint a Chief Executive Officer of the Corporation who, unless determined otherwise by the Board, shall also be the President of the Corporation. The Chief Executive Officer shall not, directly or indirectly, while so serving the Corporation, be engaged by, be in the employ of, or be an officer, director, direct or indirect shareholder or partner, as the case may be, of an SRO or of an SRO Member (other than, in the case of indirect shareholdings, an SRO Member forming part of a diversified financial services group). The Chief Executive Officer appointed by the Board shall be nominated by the Board for election as a Director at each annual meeting of Members for a term ending at the conclusion of the next following annual meeting of Members.
- 4.5 **Vacancies.** The office of Director shall be automatically vacated:
- (a) if the Director shall resign such office by delivering a written resignation to the Secretary of the Corporation;
 - (b) if the Director is found by a court to be incapable within the meaning of the Act;
 - (c) if the Director becomes bankrupt;
 - (d) if, at a meeting of the Board, the Directors are of the opinion that due cause exists, including the fact that the Director, without reasonable grounds, has not attended a sufficient number of Board meetings;
 - (e) if the Director becomes ineligible to be a Director subsequent to their appointment;
 - (f) on death;

provided that if any vacancy shall occur for any reason contained in this Section, and if a quorum of Directors remains in office, the Board, by majority vote, may, by appointment, fill the vacancy with a qualified person who will serve until the next annual meeting of Members.

- 4.6 **Retiring Director.** Unless the office of a Director has been automatically vacated pursuant to Section 4.5, a Director shall remain in office until the dissolution or adjournment of the meeting at which a successor is elected or appointed.
- 4.7 **Removal.** Subject to Section 131 of the Act, the Members may, by ordinary resolution passed at a special meeting of Members, remove any Director from office before the expiration of the Director's term and may elect a qualified individual to fill the resulting vacancy for the remainder of the term of the Director so removed, failing which such vacancy may be filled by the Board.
- 4.8 **Place of Meeting, Notice, Voting and Quorum.** Meetings of the Board will be held in Toronto unless otherwise determined by the Board. Meetings of the Board may be called by the Chair, the Vice-Chair, the Chief Executive Officer or any two (2) Directors at any time, provided that 24 hours' written notice of such meeting shall be given, other than by mail, to each Director. Notice by mail shall be sent at least 14 days prior to the meeting. There shall be at least 4 meetings of the Board per calendar year. No error or omission in giving notice of any meeting of the Board or any adjourned meeting of the Board shall invalidate such meeting or make void any proceedings taken thereat and any Director may at any time waive notice of such meeting and may ratify, approve and confirm any or all proceedings taken or had thereat. Each Director is authorized to exercise one vote provided that in the event of an equality of votes on any question at a meeting of the Board, the Lead Public Director shall have a second or casting vote. A quorum for the transaction of all business of the Board shall be a majority of the Directors, provided that at least two Industry Directors are present and the number of Public Directors present shall exceed the number of Industry Directors present by at least one. A quorum may be comprised in whole or in part of Directors attending a meeting of the Directors by means of teleconference or by other electronic means in accordance with Section 4.9. Notwithstanding anything contained herein, any Director may, if in the opinion of the Chair, Vice-Chair or Chief Executive Officer, the financial condition of an SRO Member is such that immediate action by the Directors may be required, call a meeting of Directors to consider the action to be taken by giving three hours' prior notice of such meeting by teleconference or other electronic means to each Director, but no such notice shall be required where all of the Directors are in attendance personally or by teleconference or other electronic means, as the case may be, in the manner referred to in Section 4.9 at a meeting so called.
- 4.9 **Meetings by Teleconference.** Directors may hold meetings by teleconference or by other electronic means that permit all persons participating in the meeting to hear each other.
- 4.9.1 If all of the Directors of the Corporation consent thereto generally or in respect of a particular meeting, a Director may participate in a meeting of the Board or of a committee of the Board by means of such conference telephone or other electronic communications facilities to which all Directors have equal access and which permit all persons participating in the meeting to hear and communicate with each other. A Director participating in a meeting by such means is deemed to be present at the meeting.

- 4.9.2 At the commencement of each such meeting, the secretary of the meeting will record the names of those persons in attendance in person or by electronic communications facilities and the chair of the meeting will determine whether a quorum is present. The chair of each such meeting shall determine the method of recording votes thereat, provided that any Director present may require all persons present to declare their votes individually. The Directors shall take such reasonable precautions as may be necessary to ensure that any electronic communications facilities used are secure from unauthorized interception or monitoring.
- 4.10 **Resolutions and Conduct of Meetings.** Resolutions will be passed by a majority of the Directors present and voting on the resolution by a verbal vote recorded by the secretary of the meeting, unless the Act or this By-law otherwise provides. If permitted by law, a resolution in writing signed by all of the Directors entitled to vote on that resolution at a meeting of Directors or committee of Directors is as valid as if it had been passed at a meeting of Directors or committee of Directors. In the absence of the Chair or the Vice-Chair at any meeting of Directors, the chair of the meeting shall be selected by the Directors present. The Directors may make such other regulations governing their meetings, proceedings and any other administrative matters as they consider necessary or desirable.
- 4.11 **Remuneration of Directors.** The Public Directors and Industry Directors shall be entitled to receive such remuneration as the Board may determine from time to time; and a Director may be paid reasonable expenses incurred by the Director in the performance of their duties.
- 4.12 **Agents, Employees and Advisors.** The Board may appoint such agents, employees and advisors as it shall deem necessary from time to time and such persons shall have such authority and shall perform such duties as shall be prescribed by the Board at the time of such appointment.
- 4.13 **Remuneration of Officers, Agents, Employees and Committee Members.** A reasonable remuneration of all officers, agents and employees and committee members may be fixed by the Board or committee authorized by the Board.

5. COMMITTEES

- 5.1 **Governance, Nominating & Human Resources Committee.** The Board shall appoint a Governance, Nominating & Human Resources Committee which shall be composed of 3 or more Directors (including one or both of the Chair and Vice-Chair), a majority of whom shall be Public Directors, and carry out such duties and tasks as set out in the By-law or as determined by the Board from time to time. The chair of the Governance, Nominating & Human Resources Committee shall be a Public Director. The Governance, Nominating & Human Resources Committee shall recommend nominations to the Board for Industry Directors, Public Directors, Chair, Vice-Chair, Chief Executive Officer, and any other nomination as requested by the Board from time to time.
- 5.2 **Audit, Finance and Investment Committee.** The Board shall appoint an Audit, Finance and Investment Committee composed of 3 or more Directors, a majority of whom shall be Public Directors. The chair of the Audit, Finance and Investment Committee shall be a Public Director. The Audit, Finance and Investment Committee shall be responsible for the review

of the Corporation's financial statements and such other functions as the Board may determine.

- 5.3 **Other Committees.** The Directors may in their sole discretion at any time and from time to time appoint from among their number committees consisting of one or more Directors and may delegate to such committees any authority of the Directors. Notwithstanding the foregoing sentence and for greater certainty (i) in the case of any committee with the responsibility for making coverage determinations a person who has ceased to be a Director and who was a member of any such committee immediately prior to ceasing to be a Director may continue to be a member of the committee with full rights to vote and participate for such period of time as determined by the Board in order to complete any business of the committee in which the Director was engaged prior to their ceasing to be a Director and (ii) any committee with the responsibility for hearing and deciding claims appeals shall not be, or be considered to be, a committee of the Board.

6. INTEREST OF DIRECTORS AND OFFICERS IN CONTRACT

- 6.1 (a) **Conflict of Interest.** Any Director or officer of the Corporation who:
- (i) is a party to a material contract or material transaction or proposed material contract or proposed material transaction with the Corporation; or
 - (ii) is a director or officer of or has a material interest in any body corporate or business firm, whether direct or indirect, who is a party to a material contract or material transaction or proposed material contract or proposed material transaction with the Corporation,

shall disclose in writing at the Directors' meeting, or have entered in the minutes, the nature and extent of such Director or officer's interest in such actual or proposed material contract or material transaction with the Corporation. An Industry Director shall not have or be deemed to have an interest in an actual or proposed material contract or transaction with the Corporation for the purposes of this Section 6 by virtue only of being an officer or director of, or having a material interest in, an SRO Member or an Affiliate of an SRO Member.

- (b) The disclosure required by sub-section (a) above, shall be made, in the case of a Director:
- (i) at the Directors' meeting at which a proposed contract or proposed transaction is first considered;
 - (ii) if the Director was not then interested in a proposed contract or proposed transaction, at the first Directors' meeting after such Director becomes so interested; or
 - (iii) if the Director becomes interested after a contract or transaction is made, at the first Directors' meeting held after the Director becomes so interested; or

- (iv) if an individual who is interested in a contract or transaction later becomes a Director, at the first Directors' meeting held after the individual becomes a Director.
- (c) The disclosure required by sub-section (a) above, shall be made, in the case of an officer who is not a Director:
- (i) immediately after the officer becomes aware that the contract, transaction, proposed contract, or proposed transaction is to be considered or has been considered at a Directors' meeting;
 - (ii) if the officer becomes interested after a contract or transaction is made, immediately after the officer becomes so interested; or
 - (iii) if an individual who is interested in a contract or transaction later becomes an officer, immediately after the individual becomes an officer.
- (d) If a material contract or material transaction, whether entered into or proposed, is one that, in the ordinary course of carrying on the Corporation's purposes, would not require approval by the Directors or Members, a Director or an officer shall, immediately after becoming aware of the contract or transaction, disclose in writing to the Corporation or request to be entered into the minutes of a meeting of the Directors, the nature and extent of the interest.
- (e) A Director required to make a disclosure in sub-section (a) above shall not vote on any resolution to approve the contract or transaction unless the contract or transaction
- (i) relates primarily to the Director's remuneration as a Director, an officer, an employee, or an agent of the Corporation or an Affiliate;
 - (ii) is for indemnity or insurance under Section 151 of the Act; or
 - (iii) is with an Affiliate.
- (f) For the purposes of this Section 6.1, a general written notice to the Directors declaring that a Director or officer is to be regarded as interested, for any of the following reasons, in a contract or transaction made with a party, is a sufficient declaration of interest in relation to the contract or transaction, if:
- (i) the Director or officer is a director or officer, or acting in a similar capacity, of a party referred to in sub-section 6.1(a)(ii);
 - (ii) the Director or officer has a material interest in the party; or
 - (iii) there has been a material change in the nature of the Director's or the officer's interest in the party.
- (g) A contract or transaction for which disclosure is required is not invalid, and the Director or officer is not accountable to the Corporation or its Members for any

profit realized from the contract or transaction, because of the Director's or officer's interest in the contract or transaction or because the Director was present or was counted to determine whether a quorum existed at the meeting of Directors that considered the contract or transaction if

- (i) disclosure of the interest was made in accordance with this Section;
 - (ii) the Directors approved the contract or transaction; and
 - (iii) the contract or transaction was reasonable and fair to the Corporation when it was approved.
- (h) Even if the conditions under Section 6.1(g) above are not met, a Director or an officer, acting honestly and in good faith, is not accountable to the Corporation or to its Members for any profit realized from a contract or transaction for which disclosure is required, and the contract or transaction is not invalid by reason only of the interest of the Director or officer in the contract or transaction, if:
- (i) the contract or transaction is approved or confirmed by special resolution at a meeting of Members;
 - (ii) disclosure of the interest was made to the Members in a manner sufficient to indicate its nature and extent before the contract or transaction was approved or confirmed by the Members; and
 - (iii) the contract or transaction was reasonable and fair to the Corporation when it was approved or confirmed by the Members.
- (i) A contract is not void by reason only of the failure of a Director or officer to comply with the provisions of this Section 6.1 but a court may, upon the application of the Corporation or a Member, set aside or annul the contract or transaction on any terms that it thinks fit, require the Director or officer to account to the Corporation for any profit or gain realized on the contract or transaction, or make any other order that the court thinks fit.

7. PROTECTION OF OFFICERS AND DIRECTORS

7.1 **Standard of Care.** Every Director and officer of the Corporation, in exercising such person's powers and discharging such person's duties, shall act honestly and in good faith with a view to the best interests of the Corporation and shall exercise the care, diligence, and skill that a reasonably prudent person would exercise in comparable circumstances. Every Director and officer of the Corporation shall comply with the Act, the regulations, Articles, and By-law.

7.2 **Limitation of Liability.** Provided that the standard of care required of the Director or officer under the Act and the By-law has been satisfied, no past or present member of the Board or any committee or sub-committee thereof or of the Corporation, nor any past or present officer, employee or agent of any of them, shall be liable for the acts, receipts, neglects or defaults of any other of such persons, or for joining in any receipt or other act for conformity, or for any loss, damage or expense happening to the Corporation through the insufficiency

or deficiency of title to any property acquired for or on behalf of the Corporation, or for the insufficiency or deficiency of any security in or upon which any of the moneys of the Corporation shall be invested, or for any loss or damage arising from the bankruptcy, insolvency or tortious acts of any person with whom any of the moneys, securities or effects of the Corporation shall be deposited, or for any loss occasioned by any error of judgment or oversight on their part, or for any other loss, damage or misfortune whatever which shall happen in the execution of the duties of their office or in relation thereto; provided that nothing herein shall relieve any such person from the duty to act in accordance with the Act and the regulations thereunder or from liability for any breach thereof.

7.3 **Indemnity.** Each past and present member of the Board or any committee or sub-committee thereof or of the Corporation, and each past and present officer, employee or agent of the Corporation, and any other person who has undertaken or is about to undertake any liability on behalf of the Corporation or any company controlled by it, and their heirs, executors and administrators, and estate and effects, respectively, shall from time to time and at all times, be indemnified and saved harmless out of the funds of the Corporation, from and against:

(a) all costs, charges, fines and penalties and expenses which such Board, committee or sub-committee member, officer, employee, agent or other person sustains or incurs in or about or to settle any action, suit or proceeding which is threatened, brought, commenced or prosecuted against him or her, or in respect of any act, deed, matter or thing whatsoever, made, done or permitted by him or her, in or about the execution of the duties of their office or in respect of any such liability; and

(b) all other costs, charges and expenses which they sustain or incur in or about or in relation to the affairs thereof, including an amount representing the value of time any such Board, committee or sub-committee member, officer employee, agent or other person spent in relation thereto and any income or other taxes or assessments incurred in respect of the indemnification provided for in this By-law, except such costs, charges or expenses as are occasioned by their own wilful neglect or default,

if:

(c) the person acted honestly and in good faith with a view to the best interests of the Corporation or, as the case may be, to the best interests of the other entity for which the individual acted as director or officer or in a similar capacity at the Corporation's request; and

(d) in the case of a criminal or administrative action or proceeding that is enforced by a monetary penalty, the person had reasonable grounds for believing that the conduct was lawful.

The Corporation shall also indemnify such persons in such other circumstances as the Act permits or requires. Nothing in this By-law shall limit the right of any person entitled to indemnity apart from the provisions of this By-law.

7.4 **Action, Suit or Proceeding Threatened, Brought, etc. by the Corporation.** Where the action, suit or proceeding referred to in Section 7.3(a) above is threatened, brought, commenced or prosecuted by the Corporation against a Board, committee or sub-committee member,

officer, employee, agent or other person who has undertaken or is about to undertake any liability on behalf of the Corporation or any company controlled by it, the Corporation shall make application at its expense for approval of the court to indemnify such persons, and their heirs, executors and administrators, and estates and effects respectively, on the same terms as outlined in Section 7.3.

8. INSURANCE

8.1 **Insurance.** The Corporation may purchase and maintain insurance for the benefit of any person referred to in Section 7.3 against such liabilities and in such amounts as the Board may from time to time determine and are permitted by the Act.

A person may hold more than one office. Each Director, by reason of being such, shall be regarded an officer of the Corporation in addition to any other officers who may from time to time be appointed by the Board.

10.2 **Term and Removal of Officers.** The officers of the Corporation, other than those who are officers solely by reason of being members of the Board, shall hold office for such terms as the Board may determine or until their successors are elected or appointed in their stead and shall be subject to removal by resolution of the Board at any time.

11. DUTIES OF OFFICERS

The Chief Executive Officer shall not, directly or indirectly, while so serving the Corporation, be engaged by, be in the employ of, or be an officer, director, direct or indirect shareholder or partner, as the case may be, of an SRO or of an SRO Member (other than, in the case of indirect shareholdings, an SRO Member forming part of a diversified financial services group). The Chief Executive Officer may, unless determined otherwise by the Board, engage as employees of the Corporation such number of persons as the Chief Executive Officer may in their discretion deem necessary to assist the Chief Executive Officer in the performance of their duties. The Chief Executive Officer will also hold the office of President, unless determined otherwise by the Board, in which case the President's responsibilities, duties, remuneration, term and duration of employment shall be determined from time to time by the Board.

A Vice-President, if any, shall perform such duties as shall from time to time be imposed upon the Vice-President by the Board. The Secretary shall give or cause to be given notice of all meetings of the Members and of the Board and shall perform such other duties as may be prescribed by the Board or by the President, under whose supervision the Secretary shall be. - 11.7 **Duties of Officers.** The duties of all other officers of the Corporation shall be such as the terms of their engagement call for or as the Board requires of them.

12. EXECUTION OF DOCUMENTS

- 12.1 **Execution of Documents.** Contracts, documents or any instruments in writing requiring the signature of the Corporation shall be signed by any two of the Chair, a Vice-Chair, the Chief Executive Officer, the President, the Senior Vice-President, a Vice-President, or Director, or a combination thereof. All contracts, documents and instruments in writing so signed shall be binding upon the Corporation without any further authorization or formality. The Directors shall have power from time to time by resolution to appoint persons on behalf of the Corporation to sign specific contracts, documents and instruments in writing. The Directors may give the Corporation's power of attorney to any registered dealer in securities for the purposes of the transferring of and dealing with any stocks, bonds, and other securities of the Corporation. - 13.4 **Means of Meetings.** Members may hold meetings by teleconference or by other electronic means that permit all persons participating in the meeting to hear each other and communicate adequately. A notice shall be deemed to have been given when it is delivered personally or to the recorded address; a notice mailed shall be deemed to have been given when deposited in a post office or public letter box; and a notice sent by any means of electronic or similar communication shall be deemed to have been given when delivered to the appropriate electronic server or equivalent facility. The declaration by the Secretary that notice has been given pursuant to this By-law shall be sufficient and conclusive evidence of the giving of such notice.

- 13.7 **Voting of Members.** Each Member entitled to vote and who is present at a meeting shall have the right to exercise one vote.

For purpose of sending notice to any Member, Director, or officer for any meeting or otherwise, the address of the Member, Director, or officer shall be that person's last address recorded on the books of the Corporation.

The Board shall be composed of Industry Directors, Public Directors and the Chief Executive Officer, subject to their election by the Members or appointment by the Board in accordance with this By-law. The number of Directors, including the number of Industry Directors and Public Directors, shall be determined from time to time by a resolution passed at a meeting of the Members of the Corporation, provided that the number of Public Directors shall exceed the number of Industry Directors by at least one. The Chief Executive Officer appointed by the Board shall be nominated by the Board for election as a Director at each annual meeting of Members for a term ending at the conclusion of the next following annual meeting of Members.
- 4.5 **Vacancies.** The office of Director shall be automatically vacated:
- (a) if the Director shall resign such office by delivering a written resignation to the Secretary of the Corporation;
 - (b) if the Director is found by a court to be incapable within the meaning of the Act;

 - (d) if, at a meeting of the Board, the Directors are of the opinion that due cause exists, including the fact that the Director, without reasonable grounds, has not attended a sufficient number of Board meetings;
 - (e) if the Director becomes ineligible to be a Director subsequent to their appointment;
 - (f) on death;

provided that if any vacancy shall occur for any reason contained in this Section, and if a quorum of Directors remains in office, the Board, by majority vote, may, by appointment, fill the vacancy with a qualified person who will serve until the next annual meeting of Members.

Notice by mail shall be sent at least 14 days prior to the meeting. There shall be at least 4 meetings of the Board per calendar year. No error or omission in giving notice of any meeting of the Board or any adjourned meeting of the Board shall invalidate such meeting or make void any proceedings taken thereat and any Director may at any time waive notice of such meeting and may ratify, approve and confirm any or all proceedings taken or had thereat. Each Director is authorized to exercise one vote provided that in the event of an equality of votes on any question at a meeting of the Board, the Lead Public Director shall have a second or casting vote. A quorum for the transaction of all business of the Board shall be a majority of the Directors, provided that at least two Industry Directors are present and the number of Public Directors present shall exceed the number of Industry Directors present by at least one. A quorum may be comprised in whole or in part of Directors attending a meeting of the Directors by means of teleconference or by other electronic means in accordance with Section 4.9. Notwithstanding anything contained herein, any Director may, if in the opinion of the Chair, Vice-Chair or Chief Executive Officer, the financial condition of an SRO Member is such that immediate action by the Directors may be required, call a meeting of Directors to consider the action to be taken by giving three hours' prior notice of such meeting by teleconference or other electronic means to each Director, but no such notice shall be required where all of the Directors are in attendance personally or by teleconference or other electronic means, as the case may be, in the manner referred to in Section 4.9 at a meeting so called.
- 4.9 **Meetings by Teleconference.** Directors may hold meetings by teleconference or by other electronic means that permit all persons participating in the meeting to hear each other.
- 4.9.1 If all of the Directors of the Corporation consent thereto generally or in respect of a particular meeting, a Director may participate in a meeting of the Board or of a committee of the Board by means of such conference telephone or other electronic communications facilities to which all Directors have equal access and which permit all persons participating in the meeting to hear and communicate with each other. A Director participating in a meeting by such means is deemed to be present at the meeting.

- 4.9.2 At the commencement of each such meeting, the secretary of the meeting will record the names of those persons in attendance in person or by electronic communications facilities and the chair of the meeting will determine whether a quorum is present. The chair of each such meeting shall determine the method of recording votes thereat, provided that any Director present may require all persons present to declare their votes individually. The Directors shall take such reasonable precautions as may be necessary to ensure that any electronic communications facilities used are secure from unauthorized interception or monitoring.
- 4.10 **Resolutions and Conduct of Meetings.** Resolutions will be passed by a majority of the Directors present and voting on the resolution by a verbal vote recorded by the secretary of the meeting, unless the Act or this By-law otherwise provides. If permitted by law, a resolution in writing signed by all of the Directors entitled to vote on that resolution at a meeting of Directors or committee of Directors is as valid as if it had been passed at a meeting of Directors or committee of Directors. In the absence of the Chair or the Vice-Chair at any meeting of Directors, the chair of the meeting shall be selected by the Directors present. The Directors may make such other regulations governing their meetings, proceedings and any other administrative matters as they consider necessary or desirable.
- 4.11 **Remuneration of Directors.** The Public Directors and Industry Directors shall be entitled to receive such remuneration as the Board may determine from time to time; and a Director may be paid reasonable expenses incurred by the Director in the performance of their duties.
- 4.12 **Agents, Employees and Advisors.** The Board may appoint such agents, employees and advisors as it shall deem necessary from time to time and such persons shall have such authority and shall perform such duties as shall be prescribed by the Board at the time of such appointment.
- 4.13 **Remuneration of Officers, Agents, Employees and Committee Members.** A reasonable remuneration of all officers, agents and employees and committee members may be fixed by the Board or committee authorized by the Board.

5. COMMITTEES

- 5.1 **Governance, Nominating & Human Resources Committee.** The Board shall appoint a Governance, Nominating & Human Resources Committee which shall be composed of 3 or more Directors (including one or both of the Chair and Vice-Chair), a majority of whom shall be Public Directors, and carry out such duties and tasks as set out in the By-law or as determined by the Board from time to time. The chair of the Governance, Nominating & Human Resources Committee shall be a Public Director. The Governance, Nominating & Human Resources Committee shall recommend nominations to the Board for Industry Directors, Public Directors, Chair, Vice-Chair, Chief Executive Officer, and any other nomination as requested by the Board from time to time.

of the Corporation's financial statements and such other functions as the Board may determine.

- 5.3 **Other Committees.** The Directors may in their sole discretion at any time and from time to time appoint from among their number committees consisting of one or more Directors and may delegate to such committees any authority of the Directors. Notwithstanding the foregoing sentence and for greater certainty (i) in the case of any committee with the responsibility for making coverage determinations a person who has ceased to be a Director and who was a member of any such committee immediately prior to ceasing to be a Director may continue to be a member of the committee with full rights to vote and participate for such period of time as determined by the Board in order to complete any business of the committee in which the Director was engaged prior to their ceasing to be a Director and (ii) any committee with the responsibility for hearing and deciding claims appeals shall not be, or be considered to be, a committee of the Board.

6. INTEREST OF DIRECTORS AND OFFICERS IN CONTRACT

- 6.1 (a) **Conflict of Interest.** Any Director or officer of the Corporation who:
- (i) is a party to a material contract or material transaction or proposed material contract or proposed material transaction with the Corporation; or
 - (ii) is a director or officer of or has a material interest in any body corporate or business firm, whether direct or indirect, who is a party to a material contract or material transaction or proposed material contract or proposed material transaction with the Corporation,

shall disclose in writing at the Directors' meeting, or have entered in the minutes, the nature and extent of such Director or officer's interest in such actual or proposed material contract or material transaction with the Corporation. An Industry Director shall not have or be deemed to have an interest in an actual or proposed material contract or transaction with the Corporation for the purposes of this Section 6 by virtue only of being an officer or director of, or having a material interest in, an SRO Member or an Affiliate of an SRO Member.

- (b) The disclosure required by sub-section (a) above, shall be made, in the case of a Director:
- (i) at the Directors' meeting at which a proposed contract or proposed transaction is first considered;
 - (ii) if the Director was not then interested in a proposed contract or proposed transaction, at the first Directors' meeting after such Director becomes so interested; or
 - (iii) if the Director becomes interested after a contract or transaction is made, at the first Directors' meeting held after the Director becomes so interested; or

- (iv) if an individual who is interested in a contract or transaction later becomes a Director, at the first Directors' meeting held after the individual becomes a Director.
- (c) The disclosure required by sub-section (a) above, shall be made, in the case of an officer who is not a Director:
 - (i) immediately after the officer becomes aware that the contract, transaction, proposed contract, or proposed transaction is to be considered or has been considered at a Directors' meeting;
 - (ii) if the officer becomes interested after a contract or transaction is made, immediately after the officer becomes so interested; or
 - (iii) if an individual who is interested in a contract or transaction later becomes an officer, immediately after the individual becomes an officer.
- (d) If a material contract or material transaction, whether entered into or proposed, is one that, in the ordinary course of carrying on the Corporation's purposes, would not require approval by the Directors or Members, a Director or an officer shall, immediately after becoming aware of the contract or transaction, disclose in writing to the Corporation or request to be entered into the minutes of a meeting of the Directors, the nature and extent of the interest.
- (e) A Director required to make a disclosure in sub-section (a) above shall not vote on any resolution to approve the contract or transaction unless the contract or transaction
 - (i) relates primarily to the Director's remuneration as a Director, an officer, an employee, or an agent of the Corporation or an Affiliate;
 - (ii) is for indemnity or insurance under Section 151 of the Act; or
 - (iii) is with an Affiliate.
- (f) For the purposes of this Section 6.1, a general written notice to the Directors declaring that a Director or officer is to be regarded as interested, for any of the following reasons, in a contract or transaction made with a party, is a sufficient declaration of interest in relation to the contract or transaction, if:
 - (i) the Director or officer is a director or officer, or acting in a similar capacity, of a party referred to in sub-section 6.1(a)(ii);
 - (ii) the Director or officer has a material interest in the party; or
 - (iii) there has been a material change in the nature of the Director's or the officer's interest in the party.
- (g) A contract or transaction for which disclosure is required is not invalid, and the Director or officer is not accountable to the Corporation or its Members for any

profit realized from the contract or transaction, because of the Director's or officer's interest in the contract or transaction or because the Director was present or was counted to determine whether a quorum existed at the meeting of Directors that considered the contract or transaction if

- (i) disclosure of the interest was made in accordance with this Section;
 - (ii) the Directors approved the contract or transaction; and
 - (iii) the contract or transaction was reasonable and fair to the Corporation when it was approved.
- (h) Even if the conditions under Section 6.1(g) above are not met, a Director or an officer, acting honestly and in good faith, is not accountable to the Corporation or to its Members for any profit realized from a contract or transaction for which disclosure is required, and the contract or transaction is not invalid by reason only of the interest of the Director or officer in the contract or transaction, if:
- (i) the contract or transaction is approved or confirmed by special resolution at a meeting of Members;
 - (ii) disclosure of the interest was made to the Members in a manner sufficient to indicate its nature and extent before the contract or transaction was approved or confirmed by the Members; and
 - (iii) the contract or transaction was reasonable and fair to the Corporation when it was approved or confirmed by the Members.
- (i) A contract is not void by reason only of the failure of a Director or officer to comply with the provisions of this Section 6.1 but a court may, upon the application of the Corporation or a Member, set aside or annul the contract or transaction on any terms that it thinks fit, require the Director or officer to account to the Corporation for any profit or gain realized on the contract or transaction, or make any other order that the court thinks fit.

7. PROTECTION OF OFFICERS AND DIRECTORS

7.1 **Standard of Care.** Every Director and officer of the Corporation, in exercising such person's powers and discharging such person's duties, shall act honestly and in good faith with a view to the best interests of the Corporation and shall exercise the care, diligence, and skill that a reasonably prudent person would exercise in comparable circumstances. Every Director and officer of the Corporation shall comply with the Act, the regulations, Articles, and By-law.

7.2 **Limitation of Liability.** Provided that the standard of care required of the Director or officer under the Act and the By-law has been satisfied, no past or present member of the Board or any committee or sub-committee thereof or of the Corporation, nor any past or present officer, employee or agent of any of them, shall be liable for the acts, receipts, neglects or defaults of any other of such persons, or for joining in any receipt or other act for conformity, or for any loss, damage or expense happening to the Corporation through the insufficiency

or deficiency of title to any property acquired for or on behalf of the Corporation, or for the insufficiency or deficiency of any security in or upon which any of the moneys of the Corporation shall be invested, or for any loss or damage arising from the bankruptcy, insolvency or tortious acts of any person with whom any of the moneys, securities or effects of the Corporation shall be deposited, or for any loss occasioned by any error of judgment or oversight on their part, or for any other loss, damage or misfortune whatever which shall happen in the execution of the duties of their office or in relation thereto; provided that nothing herein shall relieve any such person from the duty to act in accordance with the Act and the regulations thereunder or from liability for any breach thereof.

7.3 **Indemnity.** Each past and present member of the Board or any committee or sub-committee thereof or of the Corporation, and each past and present officer, employee or agent of the Corporation, and any other person who has undertaken or is about to undertake any liability on behalf of the Corporation or any company controlled by it, and their heirs, executors and administrators, and estate and effects, respectively, shall from time to time and at all times, be indemnified and saved harmless out of the funds of the Corporation, from and against:

(a) all costs, charges, fines and penalties and expenses which such Board, committee or sub-committee member, officer, employee, agent or other person sustains or incurs in or about or to settle any action, suit or proceeding which is threatened, brought, commenced or prosecuted against him or her, or in respect of any act, deed, matter or thing whatsoever, made, done or permitted by him or her, in or about the execution of the duties of their office or in respect of any such liability; and

(b) all other costs, charges and expenses which they sustain or incur in or about or in relation to the affairs thereof, including an amount representing the value of time any such Board, committee or sub-committee member, officer employee, agent or other person spent in relation thereto and any income or other taxes or assessments incurred in respect of the indemnification provided for in this By-law, except such costs, charges or expenses as are occasioned by their own wilful neglect or default,

if:

(c) the person acted honestly and in good faith with a view to the best interests of the Corporation or, as the case may be, to the best interests of the other entity for which the individual acted as director or officer or in a similar capacity at the Corporation's request; and

(d) in the case of a criminal or administrative action or proceeding that is enforced by a monetary penalty, the person had reasonable grounds for believing that the conduct was lawful.

The Corporation shall also indemnify such persons in such other circumstances as the Act permits or requires. Nothing in this By-law shall limit the right of any person entitled to indemnity apart from the provisions of this By-law.

7.4 **Action, Suit or Proceeding Threatened, Brought, etc. by the Corporation.** Where the action, suit or proceeding referred to in Section 7.3(a) above is threatened, brought, commenced or prosecuted by the Corporation against a Board, committee or sub-committee member,

officer, employee, agent or other person who has undertaken or is about to undertake any liability on behalf of the Corporation or any company controlled by it, the Corporation shall make application at its expense for approval of the court to indemnify such persons, and their heirs, executors and administrators, and estates and effects respectively, on the same terms as outlined in Section 7.3.

8. INSURANCE

8.1 **Insurance.** The Corporation may purchase and maintain insurance for the benefit of any person referred to in Section 7.3 against such liabilities and in such amounts as the Board may from time to time determine and are permitted by the Act.
