**NOTICE OF PROPOSED AMENDMENTS TO
OSC RULE 31-509 (COMMODITY FUTURES ACT) NATIONAL REGISTRATION DATABASE
AND COMPANION POLICY 31-509CP**

Introduction

The Ontario Securities Commission (the **Commission** or **OSC**) is publishing for a 90-day comment period OSC Rule 33-506 (*Commodity Futures Act*) *Registration Information* (**OSC Rule 33-506**) and Companion Policy 33-506CP (**33-506CP**). The proposed rule and policy are intended to replace the rule and policy currently in force under the same numbers.

The Commission is also publishing for comment proposed amendments to OSC Rule 31-509 (*Commodity Futures Act*) *National Registration Database* (**OSC Rule 31-509**) and Companion Policy 31-509CP (**31-509CP**).

Substance and purpose of proposed amendments

We are proposing the changes chiefly as a consequence of the new requirements in proposed National Instrument 31-103 *Registration Requirements* (**NI 31-103**).

Proposed changes to OSC Rule 33-506, which will be revoked and replaced

1. *Permitted individual*

A non-registered individual is defined in OSC Rule 33-506 as a director, partner, officer, or branch manager of a registered firm if the individual does not trade or advise on behalf of the firm. The definition also includes shareholders controlling 10 per cent or more of the voting securities of the firm.

Securities regulators require information on non-registered individuals because those individuals are the directing minds of registrant firms. The firms are required to provide securities regulators with that information.

Since OSC Rule 33-506 came into force, staff have fielded questions about why a non-registered individual must submit a Form 33-109F4, leading to confusion. Furthermore, the term has led some applicants to assume incorrectly that information filed by non-registered individuals is not reviewed by the regulator.

As a result, we propose to change the term to "permitted individual". This term is not similar to any other in use in the financial services industry, and the term carries with it the implication that the application is not automatically granted. This change does not require any operational or functional changes to the NRD system; it requires only that the term be replaced on NRD.

2. *Deadlines*

OSC Rule 33-506 currently sets out a number of deadlines for registrants to notify the regulator in accordance with OSC Rule 31-509 of a change to any information submitted in Form 33-109F4. The deadlines vary with the importance of the information. For example, the deadline to notify the regulator about a termination of an individual is five business days; other less critical information can be submitted later.

The current deadlines are based on the pre-NRD system in which registrants submitted information to the regulator, and the regulator input the changes into its computers. With NRD, registrants bear the responsibility of inputting their own information, and for maintaining records of proof for that information. With this increased load on registrants, they have found that some of the deadlines are too short.

One deadline proposed to be changed, for a change in previous employment, has been lengthened from five business days to 10 business days in consideration of requests from industry for more time. Since this information is not as critical as, say, a

termination notice, a longer deadline seems appropriate. Another deadline proposed to be changed would lengthen the amount of time in which a new non-registered individual is required to apply to the regulator from five business days to 20. Industry has requested this change because five business days is an unreasonably short amount of time to prepare all the required information.

Two deadlines, for changes in personal information and in proficiency information, have been changed from the previous maximum deadline of one year to 20 business days. The year-long deadline was so long that it was easy for a firm NRD filer to forget to submit the information.

3. *Changes in financial year end and changes of auditor*

Applicants for registration are required to submit information to the regulator about their financial year end and auditor, but they are not currently required to inform the regulator of any changes to that information. Proposed revisions to OSC Rule 33-506 will close this gap immediately, requiring registrants to inform the regulator of changes to their financial year end or to their auditor within five business days of the change.

4. *Changes resulting from proposed NI 31-103 Registration Requirements*

We have made the following changes:

- revised the definition of *permitted individual* to include only the following officers: chief executive officer, chief financial officer, or chief operating officer of the firm, or those performing the functional equivalent of any of those positions. More junior officers that neither trade nor advise, or that have no dealings in Canada are therefore excluded. We have regularly granted exemptions from the requirement for junior officers to submit a Form 33-506F4. This change merely codifies that practice.
- added references to the registration categories of ultimate designated person and chief compliance officer.
- condensed Parts 4 and 5 into one part containing the requirements for both registered individuals and permitted individuals.
- expanded sections 4.3 and 5.1 to take into account the proposed two-stage disclosure process in Form 33-506F1.

Proposed changes to Form 33-506F1

We have revised Form 33-506F1 to support the proposal in proposed NI 31-103 for permanent registration and more efficient reinstatement of registered individuals. The version now published for comment adds permitted individuals.

Cross references have been updated.

Item 3 Details of Surrender now specifies that it applies if the individual is surrendering his or her registration with the sponsoring firm in the local jurisdiction.

**COMPANION POLICY 33-506CP
TO ONTARIO SECURITIES COMMISSION RULE 33-506
(COMMODITY FUTURES ACT) REGISTRATION INFORMATION**

PART 1 PURPOSE

1.1 Purpose – The purpose of Ontario Securities Commission Rule 33-506 (*Commodity Futures Act*) *Registration Information* (“Rule 33-506”) is to consolidate and harmonize requirements regarding the initial submission of registration information and the updating of that information.

PART 2 REINSTATEMENT

2.1 Reinstatement

- (1) If an individual joins a new sponsoring firm within 90 days of leaving registered employment and is seeking registration in the same category as previously held, the individual’s registration will be automatically reinstated. This means that an individual who transfers directly from one sponsoring firm to another may start engaging in activities requiring registration from the first day with the new sponsoring firm, if a completed Form 33-506F7 has been filed. This process does not apply, however, if after the leaving his or her former sponsoring firm, the individual has become insolvent or the subject of criminal charges or civil claims, or involved in an incident of regulatory non-compliance.
- (2) Despite automatic reinstatement or any other procedure, maintaining suitability for registration is an ongoing requirement and the regulator has discretionary authority to suspend or revoke an individual’s registration or restrict it with terms and conditions at any time. The regulator may do this, for example, if it receives information through the notice of termination or other sources that causes it to question the individual’s continued suitability for registration. Individuals will be given an opportunity to be heard before a decision is made to suspend or revoke registration or to impose terms and conditions.
- (3) If the individual joins another sponsoring firm more than 90 days after leaving registered employment, the new sponsoring firm will have to file an application for reinstatement of registration for the individual. This process is referred to as a “reactivation” and involves updating the individual’s Form 33-506F4 information. The same process applies in the case of an individual who, after leaving his or her former sponsoring firm has become insolvent or the subject of criminal charges or civil claims, or involved in an incident of regulatory non-compliance, even if fewer than 90 days have passed since the individual left his or her former employer. In both cases, the individual may not conduct activities requiring registration until the regulator has reinstated registration.

PART 3 BUSINESS LOCATIONS

3.1 Business Locations – The Commission is of the view that a business location for a registered firm, or a person or company that is applying for registration, is a location within the jurisdiction, including a residence, where a firm’s registered individuals are based for the purpose of carrying out registerable activity.

PART 4 NOTICE OF CHANGES

4.1 Bulk Transfer of Locations and Individuals

- (1) If a registered firm is acquiring a large number of business locations (for example, as a result of an amalgamation or asset purchase) from one or more other registered firms that are located in the same jurisdictions and registered in the same categories as the acquiring firm, and if a significant number of individuals are associated on NRD with the locations, the Commission will consider exempting the firms and individuals involved in the transaction from the following requirements:
 1. the requirement to submit a notice regarding the termination of each employment, partner, or agency relationship under section 4.3 of Rule 33-506.
 2. the requirement to submit a registration application for each individual applying to become a registered individual under section 2.2 of Rule 33-506.
 3. the requirement to submit a Form 33-506F4 for each non-registered individual under section 3.3 of Rule 33-506.

4. the requirement under section 3.1 of Rule 33-506 to notify the regulator of a change to the business location information in Form 33-506F3.
- (2) In order to exempt the firms and individuals involved in the transaction from the requirements set out above, the application should include the following information:
 - (a) the name and NRD number of the registered firm that will acquire control of the business locations;
 - (b) for each registered firm that is transferring control of the business locations,
 - (i) the name and NRD number of the registered firm;
 - (ii) the address and NRD number of each business location that is being transferred from the registered firm named in (b)(i) to the registered firm named in (a); and
 - (c) the date that the business locations and individuals will be transferred to the registered firm named in (a).
 - (3) To facilitate the processing of the exemption application, the applicant may put the information referred to in subsection (2) in the form set out in Appendix A to this Companion Policy.
 - (4) This exemption application should be submitted by the registered firm that will acquire control of the business locations at the closing of the transaction and should be submitted sufficiently in advance of the date on which the business locations are to be transferred (the "transfer date"). The Commission is of the view that submitting the application at least 30 days prior to the transfer date is sufficient.
 - (5) In addition to any application fee, it is likely that the payment of a fee will be a condition of this type of exemption order and that the fee will be related to the number of registered firms, business locations, registered individuals, and permitted individuals involved in the transaction.
 - (6) If the exemption is granted, as soon as practicable after the transfer date, the regulator will instruct the NRD administrator to indicate the transfer of the business locations, the registered individuals, and the permitted individuals on NRD.
 - (7) Bulk transfers involving firms that are registered in different categories or different jurisdictions may need to take additional steps. Firms involved in such a transaction should contact the applicable regulators to discuss what steps are required to allow the firms to use the bulk transfer process described above.

4.2 Notifying the Regulator About Changes in Information – The requirements in sections 3.1 and 4.1 of Rule 33-506 apply to all information submitted in Form 33-506F6 and Form 33-506F4. For example, Form 33-506F6 asks for certain information dating back 10 years from the date of the form. If that information changes after the date of the form, the firm must notify the regulator about the change in that information. As another example, Form 33-506F6 asks the firm to provide certain agreements. If the firm executes such an agreement after the date of the form, it must provide the regulator with a copy of that agreement.

PART 5 DUE DILIGENCE

5.1 Sponsoring Firm Obligations

- (1) The Commission is of the view that the reasonable efforts firms are required to undertake in Part 5 of Rule 33-506 include
 - (a) establishing written policies and procedures relating to the investigation of an individual prior to submitting a Form 33-506F4 on behalf of the individual; and
 - (b) ensuring that the review of an individual pursuant to these policies and procedures is documented;
 - (c) regularly reminding registered individuals and permitted individuals about their disclosure obligations under Rule 33-506, such as notifying the regulator about changes to information; and
 - (d) correcting any incorrect or deficient information submitted in a Form 33-506F7 as soon as practicable and normally within five days of the securities regulatory authority or regulator communicating with the NRD filer to identify the incorrect or deficient information.

- (2) The purpose of subsection 5.1(2) of Rule 33-506 is to assist sponsoring firms in complying with their obligation under subsections 5.1(1) of Rule 33-506.

5.2 Form 33-506F1

- (1) If a sponsoring firm has not obtained the most recent Form 33-506F1 or termination notice according to section 5.1(2) of Rule 33-506, as a last resort the sponsoring firm should ask the individual to request it from the regulator.
- (2) Registered firms should make a practice of providing individuals with the Form 33-506F1 upon termination of employment.
- (3) The information in Part E *Further Details* of Form 33-506F1 will assist sponsoring firms in making their decision whether to hire the registered individual or permitted individual. However, we acknowledge that the individual may be hired before the sponsoring firm receives the information in Part E of Form 33-506F1. The sponsoring firm will typically receive this information during the individual's probation period, which should allow the sponsoring firm to act accordingly on that information.

PART 6 SECURITIES ACT SUBMISSIONS

6.1 If a person or company is required to make a submission under both National Instrument 33-109 and Rule 33-506 with respect to the same information, the Commission is of the view that a single filing on a form required under either rule satisfies both requirements.

PART 7 FORMS

7.1 Forms

- (1) A registered firm submits Form 33-506F1 – *Notice of Termination* to notify the regulator of a termination of an employment, partner, or agency relationship with a registered individual or a permitted individual, other than a shareholder.
- (2) Both registered individuals and permitted individuals use Form 33-506F2 – *Change or Surrender of Individual Categories*. A registered individual changing or surrendering a registration category in one or more jurisdictions submits to the regulator a completed Form 33-506F2. A permitted individual applying to become a registered individual with the same registered firm submits to the regulator a completed Form 33-506F2.
- (3) Form 33-506F3 – *Business Locations other than Head Office* is used by applicants as a dealer, adviser or investment fund manager to inform the regulator of all business locations other than the head office, and by registered firms opening or closing business locations, or changing the information previously submitted about a business location.

- (7) Form 33-506F7 – *Notice of Reinstatement of Registered Individuals and Transfer of Permitted Individuals* is used by registered individuals to provide notice of automatic reinstatement in accordance with section 2.3 of Rule 33-506. It is also used for transferring permitted individuals.

(COMMODITY FUTURES ACT) NATIONAL REGISTRATION DATABASE**

PART 1 PURPOSE

- 1.1 **Purpose-** The purpose of Ontario Securities Commission Rule 31-509 (*Commodity Futures Act*) *National Registration Database* ("Rule 31-509") is to establish requirements for the electronic submission of registration information through NRD.

PART 2 PRODUCTION OF NRD FILINGS

- 2.1 The *Commodity Futures Act* contains a requirement to produce or make available an original or certified copy of information filed under the Act. The Commission considers that it may satisfy such a requirement in the case of information filed in NRD format by providing a printed copy or other output of the information in readable form that contains or is accompanied by a certification by the Director that the printed copy or output is a copy of the information filed in NRD format.

PART 3 DATE OF FILING

- 3.1 The Commission takes the view that information filed in NRD format is, for purposes of Ontario commodity futures law, filed on the day that the transmission of the information to NRD is completed.

PART 4 OFFICIAL COPY OF NRD FILINGS

- 4.1 For purposes of Ontario commodity futures law, the Commission takes the view that the official record of any information filed in NRD format by an NRD filer is the electronic information stored in NRD.

PART 5 AUTHORIZED FIRM REPRESENTATIVE AS AGENT

- 5.1 The Commission is of the view that when making an NRD submission an AFR is an agent of the firm or individual to whom the filing relates.

PART 6 ONGOING FIRM FILER REQUIREMENTS

- 6.1 The Commission expects that firm filers will follow the processes set out in the NRD Filer Manual to (a) enroll with the NRD administrator, (b) keep their enrolment information current, and (c) keep their NRD account information current.

PART 7 SECURITIES ACT SUBMISSIONS

- 7.1 If a person or company is required to make a submission under both National Instrument 31-102 and Rule 31-509 with respect to the same information, the Commission is of the view that a single filing on a form required under either rule satisfies both requirements.
