

To: Mr. John Stevenson  
Ontario Securities Commission

CC: Honorable Iris Evans  
Minister of Finance

I am writing because I am concerned about the proposed regulatory changes regarding investments. I strongly object to these proposals as I do not wish to divulge my personal financial information in order to be allowed to invest in exempt market securities. My financial decisions need not be scrutinized by anyone but myself. These regulations are unnecessary and offensive to people who wish to maintain control of their own financial future. Please reject this proposal.

Sincerely,

David Millott
